TUI GROUP – Investor Presentation

Friedrich Joussen (CEO)

Commerzbank – German Investment Seminar
New York, 14 – 15 January 2014

Future-related statements

This presentation contains a number of statements related to the future development of TUI. These statements are based both on assumptions and estimates. Although we are convinced that these future-related statements are realistic, we cannot guarantee them, for our assumptions involve risks and uncertainties which may give rise to situations in which the actual results differ substantially from the expected ones. The potential reasons for such differences include market fluctuations, the development of world market fluctuations, the development of world market commodity prices, the development of exchange rates or fundamental changes in the economic environment. TUI does not intend or assume any obligation to update any forward-looking statement to reflect events or circumstances after the date of these materials.

oneTUI – Transformation & optimise vertical integration

TUI today

Tour operator and distribution dominated model

Target business model

Content & brand as basis for differentiation & value creation

Rationale

- At over 60%, **content** is the main **driver of** customers' **net promoter score**
- Content business as **essential part of value creation**
- **Integration** of content & tour operator/retail: **Essential for scalability of content**
  (Tour operator: Occupancy; Content & Brand: Attractiveness of tour operator products)

oneTUI
Transformation & optimise vertical integration

	Key areas for joint projects	Progress Update	Status
1	Brand management	▪ Structured process to further align brand portfolio and usage of TUI brand within TUI Group	in progress
2	Integrated world of hotel brands	▪ Core brands of Hotels & Resorts defined with focus on Robinson and RIU as a first key element of the target hotel brand architecture ▪ Integration of differentiated concepts and other hotel brands into target architecture currently being developed	in progress
3	Aligned online / CRM strategy	▪ Aligned online strategy being executed (e.g. joint platform for Robinson.com & TUI.com) ▪ Joint CRM strategy approved, i.e. one technology and one interface throughout the Group	in progress
4	Common management systems & processes	▪ Group-wide investment approval, monitoring and controlling system currently being implemented ▪ Further refinement of integrated reporting	✓
5	Joint personnel development "one team"	▪ Group-wide HR Board established ▪ Measures for Group-wide talent management defined	✓

oneTUI – targets & commitments

- Strengthen the good performance of our core brands
- Our content and the TUI brand will be the drivers for differentiation and value creation
- Focus on improving EBITA and increasing cash flows to TUI AG
- Focus on profitable investment decisions and capital efficiency
- Further deleverage the Group and reduce interest costs

Establish an attractive dividend policy – around 50% of net cash flow of TUI AG* targeted

* Holding company
