Hanover, 11 October 2021

Further to the announcement on 6 October 2021, TUI AG (the **Company**) announces that it has finalised its application to the London Stock Exchange for the admission of 77,277,809 DI Pre-Emptive Rights to trading on a multilateral trading facility of the London Stock Exchange. The Company expects the admission to become effective tomorrow.

The Company intends to cancel the trading of the DI Pre-Emptive Rights on a multilateral trading facility of the London Stock Exchange (the Cancellation). It is expected that the Cancellation will take effect at 17:15 BST on 21 October 2021.

All acceptances in respect of the DI Pre-Emptive Rights must be submitted so as to settle by no later than 10:00 BST on 26 October 2021, in accordance with the instructions in the UK Prospectus (as defined below). The DI Pre-Emptive Rights will settle on a T+1 basis.

Unexercised DI Pre-Emptive Rights will lapse and will not be sold. The New Shares to which those unexercised DI Pre-Emptive Rights relate may be sold in the Rump Placement, but shareholders or investors will not be entitled to receive any proceeds from such sale, including any premium, as such

payment is restricted under the laws of Germany. Therefore, shareholders or investors who take no action will not receive any compensation for any unexercised Subscription Rights or DI Pre-Emptive Rights and will be diluted.

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended (**MiFID II**); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the **MiFID II Product Governance Requirements**), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the Product Governance Requirements) may otherwise have with respect thereto, the Securities the subject of the Offering have been subject to a product approval process, which has determined that such Securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the **Target Market Assessment**). Notwithstanding the Target Market Assessment, distributors should note that: (i) the price of the Securities may decline and investors could lose all or part of their investment; (ii) the Securities offer no guaranteed income and no capital protection; and (iii) an investment in the Securities is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offering. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Underwriters will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Securities. Each distributor is responsible for undertaking its own Target Market Assessment in respect of the Securities and determining appropriate distribution channels.
