TUI Care Foundation in Tunisia

TUI Care Foundation is supporting scholarships that enable Tunisian students to undertake internships at a hotel. This supports diversity and gives women a better chance of building a successful career in the Tunisian tourism industry. The goal of this project is to support students from the hotel school Maghrébin Institut de Management et de Tourisme to do internships in a hotel in Hammamet. A three month internship is a mandatory part of tourism education but is not accessible to all. With a scholarship, girls will have the opportunity to complete their education and improve their chances of building a successful career in the Tunisian tourism sector.
